

STANDARD DUTY,
FORWARD & REVERSE
**ROTARY
TILLERS**

FEATURES

Available in either forward or reverse rotation.

Get your hands in the dirt, without getting your hands in the dirt.

Our line of finely crafted, durable rotary tillers is designed for folks who are serious about their tools. From farming to yard and turf applications, whether you do it for food on the table, fun or for a living, these tillers will handle whatever planting, gardening and landscaping challenges you tackle. Available in either forward or reverse rotation, the solid rotor shafts make for smoother operation and deeper soil penetration. Each is easy to maintain and built to last, so you'll always get the most out of your tractor.
