

## 3PT HAY FORK

### FEATURES

Quick hitch compatible

Replaceable spears

## Lifting larger not harder with more support and stabilization

The 200 Series Hay Fork can easily lift large round hay bales weighing up to 1,500 pounds\*. A heat-treated upper spear and welded stabilizer bars provide extra support. Replaceable spears and quick hitch compatibility make this implement a breeze to use.

The 300 Series Hay Fork quickly lifts and moves large round hay bales. A 2,000-pound load\* is no problem for its heat-treated upper spear and lower welded stabilizer bars which provide extra hold. Quick hitch compatible and replaceable spears are available.

\*Implement capacity only, do not exceed the lift capacity of your tractor.
